

Adjustable Steel Shelving

DAVELL

AUSTRALIAN MADE & OWNED - SINCE 1946

Australia's Leading Manufacturer of Quality Standard and Custom-Made Steel Storage Solutions

Adjustable Steel Shelving

Practical and inexpensive solutions for all your filing and storage requirements

- Ideal for offices, schools, warehouses, hospitals, retail stores, spare parts outlets
- Totally modular and versatile, able to be expanded as your storage requirements grow
- Manufactured in Australia from heavy gauge recyclable steel and available in a large range of sizes to suit any application
- Featuring Rolled Edge Type (R.E.T) shelving uprights which eliminate sharp edges and increases overall shelving strength and rigidity
- Shelving units can be configured as initial bays, adjoining bays and/or back-to-back bays
- Assembled as a DIY or by Davell installers
- Each shelf is height adjustable in increments of 25.4mm
- Shelf loading of 80kg to 200kg when reinforced
- Optional Dress Panels for a smooth modern appearance
- Slotted shelves accommodate 'easy to install' Polycarbonate Shelf Dividers
- Large range of environmentally friendly powder coat colours and finishes
- Lifetime Warranty
